

i We have available for purchase all Skutt kiln models including glass kilns on special order. Please call for details.

Skutt KM1227-3 \$3060.00 *km12273*

- The KM1227-3 is Skutt’s ultimate low fire production kiln. The 10 cubic foot firing chamber makes it very popular with schools, contemporary studios and production bisque companies.
- When coupled with an *EnviroVent* this kiln, with its *KilnMaster Controller*, gives precise repeatable firings time after time.
- *Lid Lifter* and 3-inch brick are standard on this model.
- *Cone 8 maximum firing temperature.*

Skutt KM1027-3 \$2670.00 *km10273*

- The KM1027-3 is our most popular and versatile model. With its cone 10 power and 7 cubic-foot chamber capacity there are very few projects this kiln can’t handle.

Skutt KM818-3 \$1610.00 *km8183*

- The compact and versatile KM818-3 is a great home studio model.
- Cone 10 power makes it perfect for porcelain.
- 30-amp Cone 8 model available. (3” brick only)

EnviroVent 2* \$450.00 *vent

The Envirovent venting system exclusively from Skutt removes fumes, odors and vapors, improves firing consistency and fits many popular kilns. Ideal for schools and home use.

SKUTT CERAMIC PRODUCTS, INC. warrants this product to be free from defects in material and workmanship for two full years from the date of the first retail purchase from an authorized Skutt dealer.

What Skutt will do. Skutt will repair or replace, at its expense, any defective part upon return, freight prepaid, to any authorized Skutt service center.

What Is Not Covered. This warranty will not cover (1) any defect not reported to an authorized dealer or distributor within 10 days of discovery; (2) the KILN SITTER, which is separately warranted by its manufacturer, W.P. Dawson, Inc. 399 Thor Place, Brea, California 92621; (3) Type K Thermocouples; (4) any damage caused by overfiring; (5) products subjected to abnormal strain, freight damage, neglect, abuse, improper storage, failure to follow instructions, or products altered from factory standard condition; (6) products whose identification number has been changed; (7) failures of, or failures caused by parts or accessories not manufactured or supplied by Skutt Ceramic Products; (8) kilns used for purposes other than firing ceramic materials; (9) kilns used for reduction or salt firing; and (10) elements in “PK” model kilns.
